RESOLUTION NO. 09-12-01

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GILA COUNTY, ARIZONA, URGING THE GOVERNOR TO ESTABLISH AN UNCLASSIFIED AIR QUALITY DESIGNATION FOR LEAD PARTICULATES IN THE TOWNS OF HAYDEN AND WINKELMAN, PARTS OF GILA COUNTY, AND THE TOWN OF KEARNY.

WHEREAS, the Federal Clean Air Act requires the U.S. Environmental Protection Agency to establish ambient air quality standards; and

WHEREAS, the Environmental Protection Agency has reduced the air quality standard for lead by a factor of 10; and

WHEREAS, the Arizona Department of Environmental Quality has proposed that the Towns of Hayden and Winkelman, parts of Gila County, and the Town of Kearny be located within a non-attainment air quality boundary for lead particulates based upon monitors located 12 miles from Kearny; and

WHEREAS, Zephyr Environmental Corporation has raised questionable issues in the technical support document underlying the Arizona Department of Environmental Quality's proposal; and

WHEREAS, the non-attainment air quality designation for lead particulates has potential detrimental effects on economic development and sustainability of the area.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Gila County, Arizona that:

1. The Governor recommends that the Towns of Hayden and Winkelman, parts of Gila County, and the Town of Kearny be located in an unclassifiable designation for lead particulates.

PASSED AND ADOPTED this 1st day of December 2009, at Globe, Gila County, Arizona.
